

Public Workshop!

Downtown Memphis Design Guidelines & Sign Code Update

WHEN:

Thursday, August 18, 2011
5:30 – 7:30 p.m.

WHERE:

Bridges, 477 N. Fifth St.
Memphis, TN 38105

Do you have a vision for what the design character of Downtown Memphis should be? Then we want YOU to be involved in helping us make Downtown a great place to live, work, and play. The Downtown Memphis Commission (formally known as the Center City Commission) is in the process of updating the Design Guidelines and Sign Code for the Central Business Improvement District (CBID) and we need your help!

This public workshop will include a brief presentation to introduce this important initiative and will look at relevant case studies from around the country. Participants will then help set the vision for the new Downtown Design Guidelines and Sign Code through hands-on exercises and small group activities.

Anyone interested in contributing to the future of Downtown Memphis is encouraged to attend this public workshop! Free parking is available at Bridges for meeting participants. For more information about the workshop, please contact Brett Roler: (901) 575-0540 or roler@downtownmemphis.com
